

We are looking for participants for the
BEING Leadership Academy
Co-design Committee

Paid Opportunity

Purpose of the BEING Leadership Academy Co-design Committee

BEING Leadership Academy provides an opportunity for people with mental health issues to further their education, employment opportunities and leadership skills to lead and influence change. BEING Leadership Academy recognises the importance of including our consumers in the design and development of the services we operate. Mental health consumers are intrinsic to the education opportunities we can provide for people living with mental health issues.

We are looking to establish a co-design committee to assist the BEING Leadership Academy team. The Co-design Committee will share ideas on the most relevant and useful courses and resources that could be prioritised for ongoing development by the Academy team.

Other key work may include co-design of the BEING Leadership Academy's Purpose and Values.

Payment

Payment for attendance will be \$110 for half-day meetings and \$220 for full day meetings. As most meetings will be from 10am to 12.30pm, a half-day fee will cover costs of reading papers, engaging in activities and attendance.

Meeting dates

The BEING Leadership Academy Co-design Committee will meet on the last Wednesday of every month commencing March 2021 through to November 2021.

Exact dates are:

Wednesday March 31st

Wednesday April 28th

Wednesday May 26th

Wednesday June 30th

Wednesday July 28th

Wednesday August 25th

We aim to run our meetings face-to-face dependent upon COVID-19 restrictions. However, there may be a future need to work remotely so members need to have a computer and reliable internet connection.
